

SUMMER JUST LANDED

Fresh picks for the season — **aisle 4**

Printed on FSC-certified board with UV-cured inks for vivid, durable colour that holds up under store lighting.

This header card is part of the modular gondola-end kit. Pair with matching shelf strips and aisle fins for full-bay impact.

PRODUCTION SPEC

Substrate: 3mm display board. Print: UV flatbed, CMYK + spot CutContour for the shaped tab.
Finish: matt laminate.

Cut path runs as a named spot separation and must not knock out underlying artwork.
